about

ASSOCIATE MEMBERSHIP

- National Cyber Safety and Security Standards (NCSS) has been started with a great vision to safeguard the Nation from the current threats in the cyber space. The multi-dimensional structure of technology in the cyber space poses a great challenge in handling the complex problems in the cyber domain. National Cyber Safety and Security Standards has taken visionary initiatives to curb and enervate the notoriously spreading cyber threats from various directions and dimensions.
- National Cyber Safety and Security Standards (NCSS) works to create and sustain an safe cyber environment conducive to the development of our Nation, partnering with Government, Industry, Institutions & Individuals through advisory and consultative processes.
- Members are from the private as well as public sectors, including MNCs, Enterprises, Academic Institutions, SMEs, Industry bodies & Individuals.
- NCSS is working closely with Government / Industry on Cyber Security Policy issues, interfacing with thought leaders, and enhancing the cyber safety and security to protect your critical infrastructure.
- The mission of the NCSS is to establish a multi-stakeholder consortium that brings together Corporates, State/Central Governments, Academics, Defence, MNCs, PSUs, Intelligence Agencies, Enforcement Agencies and etc., in an effort to improve the state of Cyber Security both at domestic and international level.

As a member of NCSS, you will access the world of opportunities, from networking to the corporate majors of Indian and global cyber security experts & professionals to assist in framing Cyber Security policies, through close linkage with the government
